Laptop supply proposal

PREPARED FOR	PROPOSAL REFERENCE
VendorLens Demo Procurement	**ND-WF-001**
Laptop Refresh - Workflow Test	20 October 2026

01 Proposed equipment

Supply of 10 business laptops. Each laptop includes 16 GB RAM, a 512 GB SSD, and a 14-inch display. The commercial terms below apply to this laptop supply only.

02 Commercial terms

Quantity	**10 laptops**
Unit price	**USD 1,200.00 per laptop**
Line subtotal, excluding taxes	**USD 12,000.00 for 10 laptops**
Warranty	**3 years**
Delivery timeline	**14 days after purchase order acceptance**

03 Terms and commitments

The unit price is 1200 USD. The subtotal covers 10 laptops and is not the unit price. Taxes are excluded from the quoted amounts.

The warranty is 3 years. Warranty coverage applies to manufacturing defects in the supplied laptops.

Delivery takes 14 days after purchase order acceptance.

This document describes a fictional supplier and a synthetic transaction. It is supplied solely to test document ingestion, fact extraction, citations, and review workflows.
